We....

RP Group, under the efficient stewardship of Dr. Ravi Pillai has set new global standards in being one of the world's largest job providers. The massive human resource potential of India left untouched for decades was superbly tapped and exposed to the international market with indelible markings. The once conservative GCC world realized the hidden potentials of the Indian Labor force and today, out of the distinctive efforts of RP Group, Indians hold a record of being the most trustworthy, efficient and brilliant workforce in comparison to others.

Leading the **F**uture

construction

Identifying the needs of a region with high growth potential such as the Middle East, the Group forayed into the vital construction sector in the early 70's when the new found oil wealth inspired the Gulf nations to rapid growth and development. With its fundamental strengths and farsighted thinking, the Group aligned its resources to participate in the nation building process, expanding and diversifying with the growth of the region's oil-backed economy.
